### Study Questions and Suggestions for Further Study

After you have completed the assignment above, answer the study questions below. You can download these study questions as a PDF [here](#).

#### Study Question 1

- Victory began his address with a teaching on man's thoughts. What did the master say about this subject? What key did he deliver to help spiritual seekers to guard their thoughts? (p. 119)

#### Study Question 2

- Beloved Victory stated, "The students should clearly recognize that they have a more than ordinary responsibility to draw forth a stream of radiant energy from the Godhead. They should see that their qualification of the power of the light from God's heart is also essential in directing that energy from on high to absorb the stream of constructive thought they use as a matrix to guide the invoked substance." (p. 120)
- How does this teaching from the master relate to your personal responsibility to become the master of your world and an arbiter of your destiny? (p.120)

#### Study Question 3

- The master speaks about the idea of excellence. What is he trying to teach us when he states, "Men and women should revel in the idea of excellence, for excellence is the divine plan fulfilled."? (p. 121)

- What moves against the victory of excellence? (p.121)

#### **Study Question 4**

- Were we to accept the Truth that God lives in us, how would our Mighty I AM Presence influence our lives? (pp. 121-122)

#### **Study Question 5**

- What teaching on color and music did Beloved Victory impress upon us in this dictation? (pp. 122-123)

#### **Study Question 6**

- What did Victory say the rainbow represents and why did he want us to remember this symbolism? (pp. 122-123)

#### **Study Question 7**

- Regarding our responsibility Victory admonished us, “You must see that the student’s responsibility to call forth more light and to sustain the momentum of light already generated and active upon this planet is very great indeed.” (pp. 123-124)
- What consequences did the master identify if we neglect our responsibility to invoke and sustain greater momentums of light? (pp. 123-124)

#### **Study Question 8**

- At the time of Jesus’ crucifixion, a crown of thorns was pressed upon his head. What did this crown of thorns symbolize? Why do you think the master addressed this symbolism? (p. 124)

#### **Study Question 9**

- In this dictation Beloved Victory acknowledged the service that Saint Germain, Mother Mary, Jesus, the Great Divine Director, Beloved El Morya, Kuthumi and the entire retinue of ascended masters have rendered to mankind. Then he provided the opportunity to those in attendance to extend their gratitude to the masters. (p. 125)
- Make some time during the coming week to write a letter of gratitude to Saint Germain and any other ascended masters and lady masters that have assisted you on your spiritual path. Then ask the angels to take your message to them and burn the letter.

#### **Study Question 10**

- After Beloved Victory released the dispensation—a stream of energy passing through our bodies—he asked us some thought-provoking questions.
- Then he said, “But oh, how quickly men are prone to forget their blessing! How quickly they are able to enter into the vibration of deceit or doubt. How easily they are moved from a position of security to one of shake-ability. We come to you

tonight and say, let us replace shake-ability with shape-ability and let us hereby resolve that from this night forward, each one of you shall manifest a greater momentum of your victory than ever before. If you do, you will make it unnecessary for us to cover the same ground again and again, to make the same admonishments and promises to release the same levels of energy, all to be absorbed by your flesh forms and bodies without producing one iota of forward movement." (p.126)

- Review Beloved Victory's questions at the top on page 126. Then record your answers in your Victory Journal.

### Study Question 11

- In this dictation Beloved Victory tells us that he and the masters want to give us a grant from the Karmic Board. However, we must merit the grant.
- What conditions do we have to address in ourselves to merit a grant from the Karmic Board? (p. 127)
- What changes will we observe in ourselves when we fulfill these conditions? (pp. 127-128)
